## Abernathy High School

### Abernathy, Texas

# SANCTUM OF KNOWLEDGE - -

No barriers, no masses of matter however enormous, can withstand the powers of the mind, the remotest corners yield to them, all things succumbed: the very heaven itself is laid open! Marcus Manilius Astronomica 40 B.C. . . .

The mind and body are both gifts to be used. We must keep ourselves physically able in order to be mentally alert. Through our sports and fitness programs we are kept physically sound. At the same time we can progress mentally through the aid of books. Think now about the importance of the balance of these two aspects as you go through the pages of your life in A.H.S. 1965.

The essential element of the year sixty-five is "student". Without the students of Abernathy High, our school would have an incomplete personality. As it is, we students, teachers, cooks, custodians, and administrative personnel - work together as a unit to strive for better education. We all learn from one another; we are happy. Fact is, we consider our people so important that we would like to introduce them on the following pages as we dedicate this 19th volume of The Antelope to the Students of A.H.S.

# We Appreciate . . .

Sparkle, wit, intelligence, and sincere acceptance of responsibility, characterize the person to whom we express our deepest appreciation. Her students are enlightened by work in her class as well as by her admirable humor. Ideas, beliefs, and philosophies, which can be used throughout life, are obtained from our association with her. To her A.H.S. turns for a living example of the Golden Rule . . . MRS. BETTIE HARDIN.

# Knowledge Is Personal, Powerful, and Precious

Dear Students,

History will recall that you young adults of 1965 were born during the "atomic age". Before entering Abernathy High School, you lived in the "electronic age," "supersonic age" and remember vividly the birth of the "space age". As thermo-nuclear power is harnessed, you will be living in a new power age.

Truly, in this era, we are witnessing an "explosion of knowledge". The knowledge you gain is personal, powerful, and precious. As you use your knowledge, may you be guided by wisdom in knowing what to do, skill in knowing how to do it and virtue in using it. I share with pride the accomplishments that you have made during this school year.

To each of you it is my desire that Abernathy High School helps equip you to meet the demands and challenges of your ever-changing age.

Sincerely,

# Principal Encourages Scholarship

Dear Student,

May I take this opportunity to congratulate you on your accomplishments thus far along the road to success. You have come to realize, I am sure, the value of a well rounded education, and the necessity of developing your mind and body to the fullest. Your school, its faculty and administration, your community, and your church are privileged to have been associated with you. Each of us wish you the very best in your future endeavors.

Sincerely,

Curtis Davenport

# N.H.S. Toils for Better A.H.S.

The four main goals of the National Honor Society are: Scholarship, Leadership, Character, Service. A 90% grade average must accompany the requirements of the four main goals.

The Honor Society owes much of its success to the good sponsorship since its foundation in 1957. The sponsor of the first society in Abernathy was Mrs. Bettie Hardin, who was also a member of the first Executive Council. Mrs. Hardin has served long and well as she is still a member of this council.

The purpose of the first group in the Abernathy Chapter of the National Society was "to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of America's secondary schools."

Mrs. Florine Forbes is the society's present sponsor. Her picture appears in the faculty section on page 32 as well as below.

The members of the 1965 Chapter of the Abernathy, Texas include: Evan Evans, J. Frank Jackson, Sandy Downs, Frederick Benn, Bill Forbes, Barry Selke, Linda Miller, Cristie Givens, Donna Webb, Mona Drace, Larry Crowder, Mike Tannehill, Mike Skipper, Marilyn Teaff, Beverly Spruiell, Treva Totty, Carolyn Bryant, JoAnn Lovelace, Jane Thomson, Jerrie Evans, Barbara Patterson, and the new members: Donna Skeen, Pat Hale, Rondall Preston, Sondra Slogh, Jane Valdez, Andre Anderson, Gary Benn, Steve Guerrant, and Jerry Rice.

The members of the Executive Council for the National Honor Society are Mr. Davenport, Mrs. Hardin, Mrs. Forbes.

## Jackson Is "Best Actor" and Miss Carter on All Star Cast - U.I.L.

In the 1964-65 University Interscholastic League Competition, held in Olton this year, Abernathy High School was well-represented in the One-Act Play Competition and the Literary Meet both held in March.

Participating in our one-act play, "The Death of the Hired Man," adapted from the poem by Robert Frost, by Jay Reid Gould, were four Abernathy upperclassmen. Peggy Carter, junior, and Glenda Evans, senior, played the roles of Mary and Edna; J. Frank Jackson and Bill Forbes, both seniors, depicted the male leads of Silas and Warren. Centered around the theme of Robert Frost's poem, "The Death of the Hired Man," the play won second place in district competition. J. Frank Jackson was awarded the distinction as the district's "Best Actor," and Peggy Carter obtained a place on the All Star Cast.

## Linda Miller Eligible to Compete in U.I.L. Regional

Eleven other students represented Abernathy at Olton in the division of typing and shorthand competition; Donna Skeen, junior, placed third in ready-writing. All the students were a credit to Abernathy High School through their competition and sportsmanship.

# "The Wise Ones"

## Enjoy the Spanish Language

"Los Inteligentes" (the wise ones), the Abernathy High School Spanish Club, enjoyed a year of fun with the Spanish language. Spanish films, programs, and initiation of first year members provided fun that was educational, too. An increase in membership was indicative of the rising interest of AHS students to learn and use the Spanish language. Members must be taking Spanish or must have taken two years.

The executive council chose the name of this year's club, "Los Inteligentes," and the colors of aqua and black; the red rose was the club flower. First year club members enjoyed creating Spanish decorations for the Christmas tree to represent the club on the tree. Mr. Robert Hudson, whose picture is on 33, is the club's sponsor.

# "Book Lovers" Investigate Librarianship

The purpose of the Abernathy High School library club - "to increase pupil understanding, interest and participation in library work; to provide opportunity for investigation of librarianship as a career" - has been carried out in 1964-65 by special projects, contests, and programs.

For special school projects this year the library club boxed stacks of magazines. The other project is the scrapbook of activities which will be entered in the area contest of the Teen Age Library Association.

Three contests were held this year; one of these was the 'Name the Eyes' contest. Vicki Overstreet won this contest. Other contests were the bulletin board contest and the book mark contest.

Two of the meetings were used for a decoration party; this was at Halloween and Christmas. A very special program was held the night that Bibliophiles - "book lovers" - was chosen as the Greek name of the club. In April the club honored the faculty

and administration in an annual pre-Easter coffee. The final event for the club was in May when they traveled to McKenzie Park for an evening of swimming and picnicking.

Bibliophiles is sponsored by Mrs. Skeen, whose picture appears on page 35.

# FFA Rates High in Contests

## FARM SKILLS TEAMS WIN DISTRICT TITLE

The Abernathy FFA Chapter had a good year. Our farm skill teams both won the district title. The junior team was second in its Area I contest, while the senior team was third. Both the junior and the senior Chapter Conducting teams were third in district. The Farm Mechanics team also won district. Johnny Peters was high individual in the field of electricity; he and Terry Barton tied for high individual in tool identification.

FFA OFFICERS: Right to Left: David Sinclair, Reporter; Jim Owens, Vice-President; Terry Barton, President; Jim Barton, Secretary; Jerry Rice, Treasurer; Steve Jackson, Sentinel.

Kirby Spruiell won the District Public Speaking contest, while Steve Jackson was Star Chapter Farmer of the district. Terry Barton served as secretary for the Plainview District FFA.

The Dairy Judging team was first in district, fourth in Area I, and also placed fourth at West Texas State. The Meats Judging teams were second in district and fifth in Area I. The Livestock judging team was fourth in district.

The Sheep Herdsman Award at the Plainview Show and the second place Swine Herdsman award at the State Fair of Texas were received by the chapter. Jim Barton received the Chris Benn Award at the local show.

The sponsor is Mr. Jerry Adams who is pictured on page 32.

## FFA and FHA Select Sweethearts and Beau

Donna Webb represented the Abernathy Chapter of the Future Farmers of America in two beauty contests. As Sweetheart of our F.F.A. chapter she distributed ribbons and trophies at the local livestock and was one of their special guests at the F.F.A. banquet held this spring.

Nathna Knight served as the F.H.A. Beau for the 1964-65 school year. He attended the Future Homemakers of America banquet as an honored guest.

Cindy Garvin was the FFA sweetheart--Plowgirl--in the absence of Donna Webb. Like Donna she was also a guest at the FFA banquet.

## FHA Enlivened by New Activities

### New Officers Initiated; Officers Installed

The Abernathy Chapter of the Future Homemakers of America was richly enlivened by many new activities this year. Five members, Cristie Givens, Glenda Evans, Jane Thomson, Betty Tow, and Susie Lee, won ribbons for outstanding sewing and cooking at the South Plains Panhandle Fair. The October "Pa, Ma, and Me Supper," another new activity, was enjoyed by all the members as well as their parents. The impressive formal initiation for new members and formal installation of officers were presented before the entire high school as FHA assemblies. A new activity added to FHA Week was a radio program explaining to the community the significance of FHA Week and the purposes of the organization.

Several members of the Abernathy FHA Chapter received various honors concerning homemaking. Joanne Klafka won the Betty Crocker Homemaker Search Contest. Thelma Peters was the outstanding freshman of the year. Cristie Givens was the Young Homemakers of Texas Little Sister for 1964-65 and winner of the Hale County "Make It Yourself With Wool Contest."

Nathan Knight was elected as the FHA Beau for 1964-65. The sponsor of FHA is Mrs. Edith Almond, whose picture is on page 32.

# Club Members Learn to Use A.V. Equipment

The Abernathy High School A.V. Club is a member of the National Association of A.V. Clubs. The sponsor of the club is Mr. Howard Humphrey. Officers of the club were elected at the organizational meeting. They are: President - Ray Mac Poage, Vice-President - Mike Tannehill, Secretary-Treasurer - Vivian Patterson, and Reporter - Denise Barker.

The purpose of the A.V. Club is to use their equipment and skills to aid the teaching process. Such equipment as movie projectors, record players, and tape recorders are useful aids in teaching.

Most of the work of the A.V. Club is done outside the meetings; however, the meetings, that are held the second Monday morning of each month, are important.

At the club meeting this year officers were elected, parties were discussed, audio visual equipment was demonstrated and films were shown.

Dr. Mitchell, the head of the West Texas Film Co-operative of Texas Tech, showed a film and gave a short speech on the purpose and effectiveness of the A.V. Club. The A.V. Club consists of its sponsor, Mr. Humphrey, whose picture is on page 33, and ninety members.

## FTA Members Do Substitute Teaching

The Future Teachers of America is an organization which offers students who are interested in becoming teachers an opportunity to study the teaching profession. It acquaints students with the problems, advantages, opportunities, and phases of teaching.

Members sometimes act as substitute teachers and they have assisted Mr. Miller in administering tests to students in elementary school. This year members of the club substituted for grade school and junior high teachers three times. The sponsors are Mr. Curtis Davenport, pictured on page 8, and Mr. Howard Humphrey, pictured on page 33.

## Club Promotes Interest

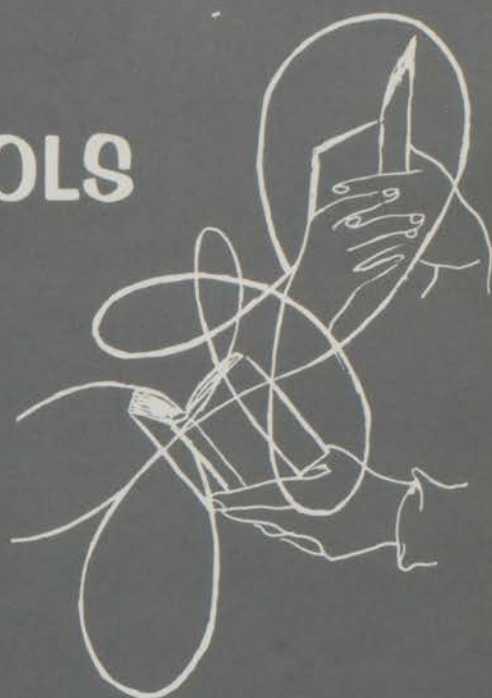

This is the first year for the Science Club to be numbered among the A.H.S. organizations. The club, sponsored by Dodie Stokes, pictured on page 35, and Mrs. Clif Martin, pictured on page 33, had several speakers and a field trip during their monthly meetings.

The purpose of the club is to further interest and understanding of the different fields of science.

This year's officers were Bill Forbes, president; Larry Crowder, vice-president; Pat Hale, secretary; and Margaret Toler, treasurer.

See! I told you teachers can smile!!!!?

I've already told you once today, that secretaries are to be seen and not heard.

# HIGH SCHOOL CLASSES

Having been through various stages of soul-exhausting anguish, my stilted emotions appeared as tears.

Having no better place to fall, one by one they dampened the pages of my open textbook.

At a loss for words in explanation, I called my state Pain and defined it as having no time or place to cry.

## Senior Year Filled With Happy Moments

It is a very peculiar experience to be a Senior. It is a year filled with happy moments such as the time after winning the last football game and the melancholy thought that it will be the last one you'll ever play for AHS.

At this point in one's career, he stands at the end of an era in his life. He is happy in the thought that there will be no more boring hours at a desk in the same old school, but he is also saddened at the thought that he must leave his home, school, and old friends to seek success in a much larger and more frightening world.

The Seniors of '65 entered high school in the latter part of 1960 to travel the same road to graduation already traveled many times by former classes. We hope that we have made the way a little better than before.

## The Junior Class of '65 Concludes Successful Year

This was an exciting year for the Junior Class of '65, and a year of new experiences. Here we are, dignified juniors looking back at freshman hazing and sophomore slump. To begin our year, Jan Wilson was the junior candidate for Homecoming Queen. The class presented its first play this year, entitled "The Mouse That Roared," which involved most of the class members who were interested. The money received was put to good use in preparing the Junior-Senior Banquet. It followed the theme of "Evening In Paris." Now as we wave good-bye to the seniors; we realize that next year will be our last.

# The Sophomore Class of '65 Looks to the Future

After one year at Abernathy High most of us understand what is going on . . . What the rush is all about . . . Many activities help to compose our schedules. The highlight this year was choosing Diana Moore as Sophomore Duchess at

Homecoming. We are well acquainted with the curriculum . . . Now we must decide on our vocational plans. Sophomores enter a world of realization. The goals, philosophy, and procedures of Abernathy help us develop maturity . . . We are carrying out the duties that we took upon ourselves as freshmen . . . Duties that help maintain Abernathy's high quality.

## The Freshman Class of '65 Enjoy "Fish Jobs"

The first year in a new school offers much bewilderment. There are new faces, high school spirit, the frantic searches for rooms to cope with . . . Learning new cheers, and attending exciting ballgames . . . Participating in a variety of clubs, learning a different type of scholastic attitude.

The Freshman class of '65 has had a lot of fun with the so called "jobs for the fish". Even though some of them were very trying, we managed somehow. The Freshman boys won District in all their sports. Kathy Kerr was chosen freshman duchess for Homecoming. At this time, we are making plans that will uphold Abernathy's standards.

(above) Hilda Hawkins--Glenda Eyans, Irene Gleason--Mona Drace, and Jenny Potts--Donna Webb starring in Rollin W. Coyle's Come Out of the Closet, directed by Robert Hudson - pictured on page 33 - demonstrated the "proper" procedure and methods of renting a New York apartment on April 30, 1965.

# Large Junior Cast Participates in Farce

It's been a "Hard Day's Night"

"You mean we won!"

"Mirror, mirror on the wall . . ."

In February the junior class presented the 2-act political farce, "The Mouse That Roared." A large cast was chosen as a result of the interest shown by a large number of juniors. The effort shown by the cast and the director, Mr. Clifton Martin, pictured on page 34, proved to be highly enjoyable and profitable. Aside from the enjoyment of preparing and presenting the play itself, the farce earned the profit that later financed the annual junior-senior banquet.

# Choir Performance a Credit to Our School

For the first time in many years there has been an Abernathy High School choir. Being the first year for this group, they were a credit to the school and themselves in the community. At the organizational meeting of the group Mike Skipper was chosen as President, Jane Thomson as Vice-President, Peggy Carter as secretary, and Vivian Patterson and Theresa Pope served as pianists.

The first appearance for the choir was at the November meeting of the PTA; songs of Thanksgiving were presented by the group. At Christmas the choir sang for various groups. Singing carols in the halls, and a final Christmas concert with the band were the final Christmas presentations of the choir.

When the all-school Hootenanny was presented many of the groups that performed were choir members and had practiced during choir. In February the choir received many compliments from the Hale County Teachers Association when they sang several numbers for the group. Finally, in May the final spring concert was presented, and thus ended a year that had marked many improvements in the singing ability of the choir. Mrs. Lealys Skeen, whose picture is on page 35, the choir director, stated that the purpose of the choir had been to provide students with the opportunity to explore and understand music, to learn to sing with emphasis on tone.

## Parades and Contests Make

The Abernathy High School Band took part in numerous activities during the past year. Among them were: the Fair Parade, September 28, in which the band received a rating of II and a \$50 prize. In October the High School twirlers entered the U.I.L. twirling contest. Three girls received an excellent rating. They were Peggy Carter, Redgie Beson, and Kathy Kerr.

## The "Outlook" Makes Its Debut

As we turn through the pages of the Antelope Outlook many fond memories are brought to our minds. Much time and effort have been put into the publication of the school newspaper, and the Outlook Staff is greatly appreciated for a job well-done in gathering news and pictures for this school publication. Some of the projects of the "Outlook" Staff

have included a political opinion survey in November and a television survey in December, feature teacher, and featuring extracurricular activities in each paper.

Being a newcomer to the Abernathy activity curriculum, the "Antelope Outlook" has made a fine name for itself and promises to make even greater progress in the future.

# Cheerleaders Uphold High

This year the '64-'65 cheerleaders attended Texas Tech Cheerleading School in August. They held a surprise pep rally for the Antelope football team on the first season workout. The A.H.S. cheerleaders took an active part in the Back-to-School Party also. They performed at all football and basketball games. The cheerleaders did much to uphold the high qualities of good sportsmanship and help boost the athletic teams onward to victory.

## COACHES:

The year of the 1964 football season proved to be a better and more fruitful one for all. Winning no games in 1963, the Antelopes came back upsetting three teams to end our season 1964 record with three wins out of ten games, placing fourth in District 3-AA play.

Antelope victory over Lockney  
19-14

The Lopes first game with Frenship broke a 12 game losing streak with a score of 20-0.

The next game, with the previous state champion, Petersburg Buffaloes proved to be a somewhat rougher challenge than that of the previous week. The BUFFS came out on top by 20-8 though they scored only two points in the last three quarters of play.

## Team Maintains Courageous Spirit

The next two games with Floydada--an old rival--and Olton proved to be two in which the Lopes were to reach a low point in the season. The scores were: Floydada 26 - Abernathy 6 and Olton 39 - Abernathy 12.

Despite these previous defeats, the team spirit remained high and the "never say die" attitude showed stronger than ever in the Friona game when the Lopes came from far behind to end the game Friona 26 - Abernathy 21. The game, while it could not be termed a win in the truest sense of the word, was a tribute to the spirit of the team.

## Seven Antelopes Win All-District

The Abernathy Antelopes' football team were honored by having seven of the Antelope team picked for All-District honors and one on the All-South Plains football team. Those making the first team were Pat Hale, half-back, and All-South Plains guard, Terry Barton. On the second team, end, Rondall Preston, halfback, Mike Tannehill and Lane Wade, quarterback, held these spots. Center Sandy Downs and Guard Barry Selke received honors in the honorable-mention bracket.

Dimmitt, another old time rival, found it a little bit more difficult than they had expected to overcome us by a score of 12-6.

When the last game came up, the Antelopes were determined to end the season victoriously. ---The ANTELOPES did end the season victoriously, with a 19-14 score over the Lockney Longhorns.

THE RECORD: W - 20 L - 5

The Abernathy Varsity Basketball Boys had a very successful season as they hustled to win 20 out of 25 games.

The Abernathy Boys entered two tournaments, the Abernathy Tournament and the Tulia Tournament. The boys won their own tournament by beating Frenship High School in the Championship game. Abernathy had to beat Kress and Canyon to get to the championship. In the Tulia Tournament, Abernathy managed a third place trophy. They won these by winning over Springlake. In the first game they beat Littlefield but lost to Tulia in the second one.

Abernathy had two boys to make the All-Tournament team in the Abernathy Tourney. They were Boyce Paxton, senior, and Lane Wade, junior. In the Tulia Tournament, Abernathy only had one representative in Lane Wade.

In district race the boys placed third with a 7-3 record, with Friona winning it and Dimmitt placing second.

Abernathy's greatest setback was losing the first district game to Friona by one mere point.

The boys scored a total of 1648 points for the season for an average of 65.5. In district alone the boys scored 695 points for an average of 69.5. While the opponents scored a total of 1305 points, an average of 52.5. In district the opponents only scored 520 points, an average of 52.6 a game.

## Abernathy Antelope Girls Varsity Basketball Team Wins 20, Loses 9.

The Abernathy Antelope Girls' Varsity Basketball Team had a winning season this year. They won 20 and lost 9 of the 29 games played.

The local fems took part in three tournaments this year. They started by winning the first place trophy in the annual Abernathy Invitational Tournament, downing Dimmitt in the finals, 61-53.

The girls then took Consolation in the Tulia Tournament by defeating Canyon, 57-47, in the last game.

The girls then journeyed to Duncanville to win still another trophy. They won second place in the Duncanville Tournament beaten 68-72 by Jourdanton.

Going into district play the girls had won 16 out of 20 games played. In district play itself, the Antelopes won 5 and lost 5 games. They defeated Olton and Lockney twice and Dimmitt once, losing to Friona and Floydada twice and Dimmitt once.

The All-district basketball teams were chosen with Abernathy placing four players. Donna Webb and Denise Barker were chosen to the first team offense; Cindy Shadden to the first team defense; and Linda Miller to the honorable mention offense.

# Track Goes

The track season for 1965 proved to be a successful one. This season ended at the State meet in Austin, May 6, 7, and 8. Five boys won tickets to this meet. They were Mike Tannehill, Lane Wade, Jake Mallow, and Pat Hale, the 440-yd. relay team. Barry Selke was the other lad winning a trip to State, this coming in the Low Hurdles plus being the alternate on the relay team.

These two events were strong for us this year as the relay won at every meet until after district. Bad handoffs caused a third place position at the annual Andrews meet, and this group captured second at the regional meet. Selke also placed second at this meet in the "Lows". The Antelopes won two championships this year, one at Kress and one at the first annual Abernathy Invitational. The 'Lopes never got less than second in any meet; these came at Idalou, Springlake, and the district meet.

## 6 Go to Regional

Abernathy qualified six boys in four events for the regional meet held at the Texas Tech track in Lubbock. Those qualifying were the 440 sprint relay, Selke in the low hurdles, Lane Wade in the Broad Jump, Boyce Paxton in the High Jump, and Tommy Hunley in the Pole Vault. Hunley is a sophomore and will have two years left. The latter two did not place in the top two places and thus ended their track season. The relay team plus Selke went on to Austin for "the big meet".

# EAST WARD

Where the sun is  
The day passes without me;  
It leaves me alone in the darkness  
Which slowly creeps over me. I  
want to walk in sun---Like you,  
But there doesn't seem to be one;  
When it comes out though  
You won't have to tell me,  
I'll feel it in my heart.
